Awesome. I love this. I just made two minor suggestions:

- Emphasize how the ease of buying and storing XRP is important for speculators.
- Can add [REDACTED] memo for Q2 (I'm working on the requirements document today - stay tuned)

Note: I tried to buy XRP over the weekend. Bitstamp confuses me in terms of funding my account from my bank. I gave up. And I forgot all the steps [REDACTED] taught me with Coinbase/Poloniex. :( I'm embarrassed to admit that I don't know how to buy XRP!
